KEVIN CAVANAGH

Assistant Vice President for College Admissions

February 11, 2011

On behalf of Brother James A. Liguori, President of Iona College, I am pleased to name you an Iona College Presidential Scholar. Congratulations!

As a Presidential Scholar, and as a member of the Honors program, you will receive a wide range of special benefits which you will find rewarding, challenging, and fulfilling. These benefits include: a faculty mentor who will assist in planning your academic program, the ability to meet core curriculum requirements with upper-level courses in your area of interest, overseas study opportunities and, if you choose to live on campus, you will live in special housing designated for Honors students. Dr. Jeanne Zaino, Honors Program Director, will contact you soon to discuss the program and set up an appointment to begin planning your schedule. She welcomes your questions or comments at any time at (914) 633-2697 or jzaino@iona.edu.

Presidential Scholars also receive a full-tuition scholarship that is renewable for four years, provided that you remain in the Honors Program, maintain a cumulative grade point average of 3.50, and contribute to the enrichment of the Iona community through service projects both on and off-campus. For academic year 2011-2012 this full-tuition scholarship represents \$28,192.

While you have until May 2nd to decide if you will accept this scholarship, I would appreciate knowing your decision as soon as possible. Choosing recipients for our Honors Scholarships is exceptionally difficult because of the quality of the applicants. If you decide to attend another school, we can then offer the scholarship to an alternate. If that happens, both we and they will appreciate having as much time as possible to consider this option. Of course, if you have any questions you can contact Kathy Reilly, Director of Admissions at 914-633-2439 or by e-mail at kreilly@iona.edu.

Again, congratulations on being named an Iona College Presidential Scholar. We look forward to you joining our academic community.

Sincerely,

Kevin Cavanagh
Assistant Vice President for College Admissions
